Helen Williams Background

I have run many flat racing syndicates over the past years, predominantly with trainer John Best. During this time we have had numerous wins and huge successes. One of the most notable being with the horse Stone of Folca owned by the Folkestone Racecourse Owners Group. He clocked up the fastest time ever recorded in the 2012 Epsom Dash on Derby Day, to become the fastest horse in the world. He still retains his title and is in the Guinness Book of Records.

Another wonderful achievement was Berrahri winning the Grand Prix at the prestigious 'White Turf' Meeting in St Moritz in Switzerland on the snow-covered frozen lake in 2019.

National Hunt Syndicate

I have often been asked about whether I would set up a syndicate with the main view for the horse to go jumping. Jumping is my long-time passion, after riding as an amateur jockey in Point to Point in a short but successful career where in my first season riding, I become the South East Ladies Novice Champion. This is where my love for the sport of National Hunt began.

In 2019 I launched the Dual-Purpose Syndicate 'Three Kingdoms Racing' with the following very much at the forefront of my mind.

I wanted a horse that had run recently and ideally won recently meaning they were fit and well giving owners the opportunity to watch them race in the near future.

When racing I have often been drawn to horses trained by Trainer Neil King. They are smartly turned out, impressive looking and seem to be often in the winners' enclosure!

Neil's personable, knowledgeable approach with his owners and his friendly experienced team gave me confidence and he's not disappointed producing Cheng Gong to win at Windsor and a 2nd at Chelmsford in 2020 followed up by a win on his handicap hurdle debut at Taunton this year.

New for 2021 Syndicates

We have sourced an exciting flat prospect – a yearling filly by dual **Group 1** winning sire Brazen Beau who has an impressive 36% winners/runners strike rate who will go into training later this year.

For those interested in NH we have two new syndicates featuring an unraced filly offering affordable, flexible quarterly ownership options and the other is a recently purchased 3yo Court Cave gelding available to own in 1/6th share options. More details on the website.

We are delighted to offer the opportunity to OWN a 1/50th share for only £500 in a yearling filly by Brazen Beau

Yearling bay filly by dual Group 1 winning stallion Brazen Beau

Helen Williams Comment *"In part, she reminded me of Stone of Folca - the fastest racehorse in the world. She has a similar eye and make up of a great hind quarter and broad chest and is the same colour! She is out of a winning dam by Street Cry and by the popular sire Brazen Beau. She has a bit about her - just like he did. No pressure on her then!"*

She's by dual **Group 1** winner Brazen Beau, a top class Australian sprinter from an excellent family. He was the fifth foal, half brother to Australian winner Epic Faith; dam **Group** placed, 5f-6f winner (inc at 2 yrs), from family of Canadian champion filly/top broodmare Fanfreluche.

As a sire he's already produced multiple winners including **Group 1** winner On The Bubbles, **Group 3 Stakes** winners North Pacific, Dubai Station and **Listed Stakes** winner Logo Hunter – an impressive 20% winners/runners **Worldwide G1** strike rate together with 36% winners/runners strike rate on the flat.

The dam Jumeirah Street won as a 3yo and placed on all her starts and comes from a family with plenty of black type.
