

### **Helen Williams Background**

I have run many flat racing syndicates over the past years, predominantly with trainer John Best. During this time we have had numerous wins and huge successes. One of the most notable being with the horse Stone of Folca owned by the Folkestone Racecourse Owners Group. He clocked up the fastest time ever recorded in the 2012 Epsom Dash on Derby Day, to become the fastest horse in the world. He still retains his title and is in the Guinness Book of Records.

Another wonderful achievement was Berrahri winning the Grand Prix at the prestigious 'White Turf' Meeting in St Moritz in Switzerland on the snow-covered frozen lake in 2019.

### **National Hunt Syndicate**

I have often been asked about whether I would set up a syndicate with the main view for the horse to go jumping. Jumping is my long-time passion, after riding as an amateur jockey in Point to Point in a short but successful career where in my first season riding, I become the South East Ladies Novice Champion. This is where my love for the sport of National Hunt began.

The Dual-Purpose Syndicate 'Three Kingdoms Racing' has been launched with the following very much at the forefront of my mind.

I wanted a horse that had run recently and ideally won recently meaning they were fit and well giving owners the opportunity to watch them race in the near future.

When racing I have often been drawn to horses trained by Trainer Neil King. They are smartly turned out, impressive looking and seem to be often in the winners' enclosure!

Neil's personable, knowledgeable approach with his owners and his friendly experienced team gave me confidence and I was thrilled he was able to secure Cheng Gong at the recent Newmarket Horses in Training sale for the partnership Three Kingdoms Racing.

**Neil King Trainer Comment** *“Cheng Gong is a lovely athletic horse who I was delighted to be able to secure at the July Horses in Training Sales at Tattersalls. He moves well, has a great attitude and should give us plenty of fun in the coming months. I am very pleased with the way he has approached the schooling of obstacles so far and am excited to see how he will progress over the coming weeks”.*

He's by **Group 1** winner Archipenko, a son of multiple **Group 1** winner Kingmambo and out of Bound, a **Listed** winning daughter of Nijinsky. Cheng Gong's sire has sired **Group 1** winners on three continents. There's also plenty of black type on the dam's side with Kinetica herself achieving **Listed** winning status. Cheng Gong is an exciting prospect to go jumping.
