

Background: we have run many Flat and National Hunt racing syndicates over the past years.

During this time we have had numerous wins and huge successes. One of the most notable being with the horse Stone of Folca owned by the Folkestone Racecourse Owners Group. He clocked up the fastest time ever recorded in the 2012 Epsom Dash on Derby Day, to become the fastest horse in the world. He still retains his title and is in the Guinness Book of Records. Another wonderful achievement was Berrahri winning the Grand Prix at the prestigious 'White Turf' Meeting in St Moritz in Switzerland on the snow-covered frozen lake in 2019. Most recently, Jumbeau, the LPOG21 2yr old filly trained by Tom Clover won on her racecourse debut & finished third at York in a Listed race on her second start, picking up **Black Type**.

We are delighted to offer the opportunity to OWN a 1/50th share
in a yearling colt by Kuroshio (AUS)

Comment from breeder *"This colt was a really good hard foal. Never sick and ate really well. A very good doer. The mother is as tough as nails. She bred Pretty Vacant now called Sunshine Universe who was sold for a substantial sum to Hong Kong after doing well when with Roger Varian. The sire Kuroshio is also hard & tough. He could just be about to explode on the scene as he covered around 186 mares in his first season standing in Ireland. With him being by Exceed and Excel, there should be plenty of speed with this colt."*

Helen Williams Comment *"I travelled up to Shropshire to see him only to find that he was the only one out of about 30 other colts in the huge field with lots of luscious grass & a herd of cows, that was camera shy! I didn't manage to get one good shot of him as he kept disappearing behind the others and peeking over their backs. He definitely has character. He is currently bay with a fleck of white through his coat and I gather he will likely end up being grey in time. He is a lovely shape, well put together and from what I saw of him move (as he cantered away with the others, clearly as part of a game) he can certainly go from 0-100 fairly quickly!"*

The colt is by **Group 1** Exceed and Excel sire Kuroshio a high class sprinter winning **Group 2** and **Group 3** races during his 2/3yo career in Australia and is a brother to dam of Bounding; from a good speed family. He is already making a name for himself as a sire with 17% **Black Type** horses to named foals and 54% winners to runners. As our breeder said there is more to come from Kuroshio progeny as his best books are still to run.

The dam Jillolini by Bertolini is a half sister to Fancy My Chance, 1m winner at 2, later prolific winner in Macau, Never Promise, dual 1m-10f winner at 3-4, out of placed half sister to high class sprinter Nabeel Dancer.
