

Background: we have run many Flat and National Hunt racing syndicates over the past years.

During this time we have had numerous wins and huge successes. One of the most notable being with the horse Stone of Folca owned by the Folkestone Racecourse Owners Group. He clocked up the fastest time ever recorded in the 2012 Epsom Dash on Derby Day, to become the fastest horse in the world. He still retains his title and is in the Guinness Book of Records. Another wonderful achievement was Berrahri winning the Grand Prix at the prestigious 'White Turf' Meeting in St Moritz in Switzerland on the snow-covered frozen lake in 2019.

We are delighted to offer the opportunity to OWN a 1/50th share for only £500 in an unraced 2yo filly by Brazen Beau

2yo bay filly by dual Group 1 winning stallion Brazen Beau

Helen Williams Comment *"In part, she reminded me of Stone of Folca - the fastest racehorse in the world. She has a similar eye and make up of a great hind quarter and broad chest and is the same colour! She is out of a winning dam by Street Cry and by the popular sire Brazen Beau. She has a bit about her - just like he did. No pressure on her then!"*

She's by dual **Group 1** winner Brazen Beau, a top class Australian sprinter from an excellent family. He was the fifth foal, half brother to Australian winner Epic Faith; dam **Group** placed, 5f-6f winner (inc at 2 yrs), from family of Canadian champion filly/top broodmare Fanfreluche.

As a sire he's already produced multiple winners including **Group 1** winner On The Bubbles, **Group 3 Stakes** winners North Pacific, Dubai Station and **Listed Stakes** winner Logo Hunter – an impressive 20% winners/runners **Worldwide G1** strike rate together with 36% winners/runners strike rate on the flat.

The dam Jumeirah Street won as a 3yo and placed on all her starts and comes from a family with plenty of black type.
