

Helen Williams Background

I have run many flat racing syndicates over the past years, predominantly with trainer John Best. During this time we have had numerous wins and huge successes. One of the most notable being with the horse Stone of Folca owned by the Folkestone Racecourse Owners Group. He clocked up the fastest time ever recorded in the 2012 Epsom Dash on Derby Day, to become the fastest horse in the world. He still retains his title and is in the Guinness Book of Records.

Another wonderful achievement was Berrahri winning the Grand Prix at the prestigious 'White Turf' Meeting in St Moritz in Switzerland on the snow-covered frozen lake in 2019.

National Hunt Syndicate

I have often been asked about whether I would set up a syndicate with the main view for the horse to go jumping. Jumping is my long-time passion, after riding as an amateur jockey in Point to Point in a short but successful career where in my first season riding, I become the South East Ladies Novice Champion. This is where my love for the sport of National Hunt began.

In 2019 I launched the Dual-Purpose Syndicate 'Three Kingdoms Racing' with the following very much at the forefront of my mind.

I wanted a horse that had run recently and ideally won recently meaning they were fit and well giving owners the opportunity to watch them race in the near future.

When racing I have often been drawn to horses trained by Trainer Neil King. They are smartly turned out, impressive looking and seem to be often in the winners' enclosure!

Neil's personable, knowledgeable approach with his owners and his friendly experienced team gave me confidence and he's not disappointed producing Cheng Gong to win at Windsor and a 2nd at Chelmsford in 2020 followed up by a win on his handicap hurdle debut at Taunton this year.

For 2021 I am launching a very affordable and flexible quarterly ownership option with an unraced filly Triptothecity who will again be trained by Neil King but runs in the colours of the Lingfield Park Owners Club 2021 National Hunt syndicate.

“Triptotheicity” an unraced filly trained on the flat with the view to running in National Hunt races

Neil King Trainer Comment *“Triptotheicity looks to be a tough horse who is a nice correct type. I am very pleased with the way she is progressing and how she is schooling over obstacles so far and am excited to see how she will progress over the coming weeks”.*

She’s by **Group 2** winner Casamento, the highest rated two-year-old by leading sire Shamardal. He broke his maiden on debut before finishing second by only a head in the **Group 1 National Stakes**. Casamento then won the **Group 2 Beresford Stakes** by four lengths before finishing his juvenile campaign by defeating four future Classic horses in the **Group 1 Racing Post Trophy**. He’s produced 40% runners to winners.
