

Helen Williams Background

I have run many flat racing syndicates over the past years, predominantly with trainer John Best. During this time we have had numerous wins and huge successes. One of the most notable being with the horse Stone of Folca owned by the Folkestone Racecourse Owners Group. He clocked up the fastest time ever recorded in the 2012 Epsom Dash on Derby Day, to become the fastest horse in the world. He still retains his title and is in the Guinness Book of Records.

Another wonderful achievement was Berrahri winning the Grand Prix at the prestigious 'White Turf' Meeting in St Moritz in Switzerland on the snow-covered frozen lake in 2019.

National Hunt Syndicate

I have often been asked about whether I would set up a syndicate with the main view for the horse to go jumping. Jumping is my long-time passion, after riding as an amateur jockey in Point to Point in a short but successful career where in my first season riding, I become the South East Ladies Novice Champion. This is where my love for the sport of National Hunt began.

In 2019 I launched the Dual-Purpose Syndicate 'Three Kingdoms Racing' with the following very much at the forefront of my mind.

I wanted a horse that had run recently and ideally won recently meaning they were fit and well giving owners the opportunity to watch them race in the near future.

When racing I have often been drawn to horses trained by Trainer Neil King. They are smartly turned out, impressive looking and seem to be often in the winners' enclosure!

Neil's personable, knowledgeable approach with his owners and his friendly experienced team gave me confidence and he's not disappointed producing Cheng Gong to win at Windsor and a 2nd at Chelmsford in 2020 followed up by a win on his handicap hurdle debut at Taunton this year.

New for 2021 Syndicates

Following on from Neil's success with Cheng Gong, we asked him to source a NH prospect for the coming season and we are delighted to introduce a 3yr old gelding by Court Cave out of Havana Dancer. He's recently been backed and ridden away. He's jumping nicely and taking the training regime in his stride.

We are delighted to offer the opportunity to OWN a 1/6th share
in a 3yo gelding by Court Cave out of Havana Dancer

Unnamed exciting National Hunt prospect for the 2021 season

Neil King Comment *"I was very pleased to be able to buy this 3yo gelding by Court Cave out of a four time winner at the Doncaster sales recently. He has settled in well and is now started and fully ridden round the farm, jumping really well. He has a great attitude, is very tough and willing. I really like him, and have been particularly impressed at how well he goes up our hill gallop, especially for a baby that's unfit and has never done it before. He will be turned out at grass for six weeks before coming in towards the end of August to get ready to run in bumpers."*

Helen Williams Comment *"Neil has been incredible during the past year we have been associated with him with regards to choosing, training and placing horses in races to often give us winning results! I am thrilled we have another one we can enjoy a brand new journey with. It will be so much fun to watch him progress through the National Hunt route and hopefully take us to many exciting places and races along the way. He looks a lovely type and will make up into an even more impressive horse in time. Neil's communication has been superb, the footage and news varied and informative. He is welcoming and hospitable whenever we visit and always makes time for us. The facilities and grounds are kept in great order and he even arranges perfect weather on the days we come up!"*

He's by proven **Grade 1** sire Court Cave who is the unraced brother to multiple **Group 1** winner Beat Hollow (Grand Prix de Paris, Paris Longchamp, **Gr.1**, Arlington Million Stakes, Arlington International, **Gr.1**, Manhattan Handicap, Belmont Park, **Gr.1**, Woodford Reserve Turf Classic Stakes, Churchill Downs, **Gr.1**,) and comes from a top class family. This Cheltenham Festival sire has also produced a string of **Stakes** winning fillies and gelding and his progeny are often NH sale toppers. Currently he has an impressive 43% strike rate of winners/runners (jumps).

The dam Havana Dancer has won 4 times over hurdles/chase and has numerous placings. She was placed 3rd in a **Listed** race and there's plenty of black type in the family.
